CHELAN COUNTY FIRE DISTRICT ONE VOLUNTEER FIREFIGHTERS ASSOCIATION

*In an emergency, minutes lost looking for an address,
can be the difference between life and death!*

We have begun a project "HELP US, HELP YOU" to help solve this problem. Put a reflective sign at the head of your driveway, on the front of your house or both. This will assist emergency response fire, ambulance, and police, in locating your house quickly without delay.

By donating for a sign, not only do you assure rapid, faithful response to your emergency, but you also support your local firefighters who are working for you during an emergency!

It is the goal of all our Firefighters, EMT's and First Responders to provide the most reliable, professional service to our community.

Please mail order form and check to:

Fire District One Volunteers
