

Kahler Glen Winter Etiquette

For the safety and enjoyment of all, we ask that you please adhere to the following:

WHERE TO WALK

Shared use paths, snowshoe trails and roadsides can be used by all to access the sledding hill, Clubhouse and restaurant. Where these trails intersect ski trails, cross gently, at the blue markers.

You may walk your dog on the shared use and snowshoe paths. **Dogs must be on a leash.** Dispose of your dog's waste properly.

No shoes, boots, snowshoes, dogs, pulling sleds, sledding, snowboarding or downhill skiing on groomed ski trails, including the skate ski trail in the middle. These trails are for cross-country skiers only.

Warning: Stay away from ponds. Ponds covered by snow are even more hazardous than ponds with exposed ice. The insulation from the snow makes the ice underneath unstable.

SLEDDING

The sledding hill is only for Kahler Glen residents and their guests, or renters. It is located near the water tower on upper Miracle Mile. **There is no parking at this location. Please walk from your residence, using the shared-use paths or roads.**

PARKING

Park on your property or with a permit at the SnoPark lot. No winter recreation parking is allowed on roads in Kahler Glen or at the Clubhouse, Wildflour Restaurant, or the Athletic Club.

Kahler Glen property owners pay for the golf course cross-country ski trail grooming. Shared use and snowshoe paths have been put in by volunteers. Your respect and cooperation are appreciated. Have Fun!
